

ECG - The Association of European Vehicle Logistics announces the (re)election of the Board.

Well attended and constructive General Assembly & Spring Congress in Malaga

Brussels, Thursday 19 May 2022

ECG - The Association of European Vehicle Logistics welcomes its new Board which was elected on 13 May at its annual General Assembly that took place in Malaga, Spain.

ECG held its first physical General Assembly & Spring Congress in 3 years.

Almost 180 members and partners joined the meeting and unanimously (re)-elected the Board for a term of one year and welcomed 3 new board members.

The President, Wolfgang Göbel, Chief Sales Officer, Mosolf SE & Co. KG, and Vice-President Bjorn Svenningsen, Director Sales & Marketing, UECC both received a new mandate for a further two-year term.

Other board members serve a one-year term at ECG and the following stood again and were duly re-elected: Marc Adriansens (ICO); Serge Agneray (Groupe Charles André); Costantino Baldissara (Grimaldi Group); Mats Eriksson (Axess Logistics);

Mark Hindley (BCA); Antoine Redier (Tramosa); Ömer Gürsoy (Me-Par); Xavier Vazquez (Noatum Terminals) and Nikos Paterakis (Neptune Lines).

Three new candidates, active members of ECG with a promising vision for the Association, were also elected: Andrea Eck (BLG Automobile Logistics); Andreas Sundl (Hödlmayr International AG) and Krzysztof Szeligowski (Adampol),

Board member, Krzysztof Dakowicz (Adampol), stood down. The Association thanks him warmly for his commitment and service.

Additionally the board awarded an Honorary Certificate in Automobile Logistics Management to Johannes Hödlmayr (Hödlmayr International AG). This honour is awarded occasionally to mark outstanding achievement in the field of finished vehicle logistics.

Note to editors:

ECG is the established European platform for the outbound automotive logistics sector bringing together logistics service providers, manufacturer logistics managers and suppliers to the sector. ECG aims to facilitate non-commercial collaboration between member companies and assist them in sharing best practices in many operational areas, especially the harmonisation of operational standards.

About ECG

ECG, the Association of European Vehicle Logistics, has been the voice of the Finished Vehicle Logistics industry in Europe since 1997. ECG represents the interests of more than 140 member companies and partners, from family owned SMEs to multi-nationals, and is the major champion of the European vehicle logistics sector. ECG represents all transport modes at EU level – road, rail, maritime and fluvial. ECG Members provide transport, distribution, storage, preparation and post-production services to manufacturers, importers, car rental companies and vehicle leasing operators across the EU as well as in Norway, Switzerland, the United Kingdom, Turkey, Russia, Ukraine and beyond. They own or operate more than 380 car-carrying ships, 14,900 purpose-built railway wagons, 28 river barges and more than 27,800 road transporters.

As a major employer, the finished vehicle logistics sector plays an important role in contributing to the economic success of the European Union. ECG members have an aggregate turnover of around €24.5bn and their economic impact on companies

associated with the sector is estimated at €64bn. More than 112,000 Europeans are employed directly by the vehicle logistics industry and an additional 230,000 are indirectly employed in this sector.
