

## Slow handover for Schnelle

Photo: ECG

Frank Schnelle will succeed Mike Sturgeon.

The ECG, the Association of European Vehicle Logistics, has engineered a smooth handover. In future Frank Schnelle will head the operational business of the association, which has 140 European FVL firms in its membership, as its executive director. His predecessor Mike Sturgeon previously already announced that he would step down when he reaches the retirement age of 64. From April 2024 until his retirement he'll show Schnelle the ropes and introduce him to the body's activities. Schnelle already has 30 years of experience in the industry. *ab*
